Dear sir,

My name is ~~████████████████████~~.

On the night of July 3^d I was
sleeping out with my cousin and
brother. We saw what we
thought was a ~~sat~~ satellite but
~~when~~ it turned around and
flew away. At about 11:00.
P.M. we saw about 15 to 25

U-F-O's. They were white and
yellow. They were mostly hovering.
When we called the weather
bureau they said, "If they
don't have landing gear we
don't know what they are?"

Would you please send an ~~explanation~~
explanation. Yours Truly
